Tiktok

Are you or somebody you know aged 16-25 and have a love for TikTok and video creation?

Grapevine have recently, started a TikTok channel run by young people, for young people, aimed at helping a younger audience connect better with the local church, explore questions around faith, as well as to make fun and creative content.

They meet regularly online and in person to discuss ideas and create content in a relaxed and supportive environment.

Here is their promotional video. (49 seconds)

If you know someone who you think would be great, or you are 16-25 and interested, you can get involved by emailing: comms@salisbury.anglican.org

They are always looking to widen their audience, so please give them a 'like' and a follow over there: TikTok channel!

Eco

Do you remember we did this in March?

We had planned to do another one in October, but Dorset Council beat us to it! They are doing an event on Saturday 11th October 1pm – 3pm at the village hall. Bring clothes from 11:00am onwards and then you can browse after 1:00pm.

It is completely free, and you bring a maximum of 10 items, mens, womens or childrens / accesspries in good, repairable condition. There is a poster in the narthex.

Bags for Life

The foodbank has asked for these before, and it does sit quiet nicely within Eco! We need them for Christmas, so please drop them off in the foodbank donation box in the porch. Thank you

Prayer chain - Our prayer chain has become an increasingly valued and important part of our church family life. Those who have something they would like others to pray for urgently can contact Sue Hart tel. **01202 696335** who will then pass the prayer request onto others who will immediately pray for the situation.

In all the heavy rain of this past week we are delighted to say that
St Nicholas has been leak free!

Our external roof repairs are now completed -with sealing of spire, repairs on roof and replacement of the velux roof windows which were rotting and leaking and we hope to have the internal work done later this term

We are incredibly grateful to the Community Lottery Fund for their generous grant which has made this

Morning Worship 10am each Sunday Online, filmed at St Nicholas

Please be advised, our services are live-streamed or film recorded.

- The raised area of seating will NOT be filmed, if you do not wish to be identifiable during the service, please sit there.
- Anyone coming forward to receive communion would normally be out of shot due to the solemnity of this part of a service.
- We try not to film anyone in the congregation during a service, however the assumption is made that consent has been given for filming if you are not sat on the raised area.
